

Noritz® EZ Series Residential Tankless

GQ-C61 Condensing Tankless Water Heater

Noritz is proud to introduce our upgraded line of tankless water heater products.

Designed for delivering exceptional hot water performance, our new EZ Series GQ-C61 line brings even more features and benefits to our most popular tankless products. This includes features such as improved efficiency, Bluetooth® connectivity, and more - making our flagship heaters the first choice for homeowners and businesses looking for faster, reliable hot water delivery.

EZ71

NEW SIZE

Features

⇒ New Bluetooth® Connectivity

All GQ-C61 models come equipped with Bluetooth® connectivity, providing users with more control of heater functions including pump timers, temperature settings, and more.

⇒ Greater Efficiency

Our new EZ Series GQ-C61 line offers an improved **0.98 UEF RATING**, making it even more efficient than previous models and generating less harmful emissions.

⇒ Available in One Gas Type

Natural Gas (NG) is the default gas type on all GQ-C61 models but if liquid propane (LP) is preferred, all units come with a gas conversion kit that helps to easily update your unit's gas type.

⇒ Built-In Remote

All GQ-C61 EZ models now come with a built-in remote which can display your heater's temperature, status, as well as error codes.

⇒ Latch Cover Design

The new latch cover design now provides quick and easy access to internal parts and components.

⇒ Additional Features

- ▶ Industry-leading **25 Year Warranty** on all EZ models
- ▶ 75 feet 2" PVC Compatible

Key Features - Do It Your Way!

Installation Versatility

The EZ Series can adapt to any installation scenario, offering a variety of installation options for homeowners -

PVC 2", 3" and 4" options available, Outdoor, 2" Flex Vent, SV, DV, and No Roof Kit.

Industry-Leading Efficiency

Our EZ Series GQ-C61 now features one of the highest efficiencies in the industry - 0.98 UEF.

Top Mounted Connections

Swap out your old tank heater quickly and with less material waste thanks to the EZ's top mounted water connections

New Cover Design

Updated for GQ-C61 models, the EZ Series has a new flange-less design with snap locks for easier access.
