

Proposition 65 requires businesses to provide warnings to Californians about significant exposures to chemicals that cause cancer, birth defects or other reproductive harm. These chemicals can be in the products that Californians purchase, in their homes or workplaces, or that are released from into the environment. By requiring this information be provided, Proposition 65 enables Californians to make informed decisions about their exposures to these chemicals.

WARNING: This product can expose you to chemicals including silica, which is known to the State of California to cause cancer.

We recommend wet cutting during the installation process. Do not dry cut, grind, break or otherwise pulverize tile during the installation process.
