ABOUT PRODUCT MAINTENANCE

This storage shed should be far away from the open flame.

Do not use the storage shed in extreme weather conditions.

Do not stack more than 20 kg items on the storage shed roof all the time in case deformation of the roof.

At regular check the storage shed to ensure that it's stable and assembly integrity has been maintained.

Please keep doors closed and locked outdoor when the storage shed is not in use long time to prevent wind damaged or damaged by animals or bad people.

Do not store hot items(recently used grills, blowtorches etc.),flammable or caustic chemicals in the storage shed.

Wash the storage shed with a mild soap and water if there is any stain on the storage shed. Do not use a stiff brush,bleach,ammonia or any other caustic cleaners, as these may damage the storage shed or could result in permanent staining of the plastic.This is not manufacturing defect and is not covered under warranty.

If the environment permits, install the storage shed in a cool place, as prolonged exposure to direct sunlight may deform the panel and accelerate aging.
