THE NEXT GENERATION OF COOL

DCE512B **20V MAX* CORDLESS JOBSITE FAN**

The DCE512B 20V MAX* Jobsite Fan is new and improved with more powerful airflow. The upgraded motor provides 650 CFM - a 30% improvement from the DCE511B - plus it's packed with other features. Variable speed control allows for a range of airflow intensity, and the 180 degree adjustable head lets you direct air where it's needed. Multiple options allow for hanging or wall mounting. Includes integrated handle for easy portability, and IP-54 Dust & Moisture resistance for durability in all kinds of working conditions. No matter your location, whether it be a hot attic, a workshop, or working outside- this fan is a great way to keep you cool on the job.

GUARANTEED TOUGH.®
