INSULATING WRAP

The **NEW ArmourBand™ Insulating Wrap** insulates and protects devices while providing a quick, clean, reusable solution to the traditional tape application. It fits most receptacles while offering a repositionable wrap with a non-slip finish, allowing for excellent grip that leaves no residue behind.

- **Patented technology**

Reusable

- Clean, reusable solution to traditional electrical tape application.

Quick

- 2X faster installation than electrical tape.
- Thickness is equivalent to 6 wraps of premium electrical tape.
- 33% wider than standard electrical tape.
- Non-slip finish and exceptional elongation for easy installation.

Durable

- Improved performance for extreme temperatures.
- Decreases risk of stray strands causing electrical shock.
- Exceeds flame retardant properties of electrical tape.
- Superior silicone construction for improved coverage.
