

Maxstow®
22" x 24" lighted medicine cabinet
K-81145-SLE

Features

- Side-integrated LED lighting provides optimally bright bathroom vanity lighting for grooming tasks
- Brightness at 1650 lumens ensures consistent lighting with no hot spots or dark spots. Produces 80 lumens per watt
- Approx. 3000 Kelvin light appearance delivers a neutral light ideal for overall bathroom aesthetics as well as tasks
- Minimum 90 CRI (color rendering index) lets you see yourself in the truest light for makeup application, grooming, and skin care
- Integrated LED bulbs have an estimated life expectancy of 50,000 hours
- Compatible with wall-mount LED dimmers (not included), which allow you to control lighting from multiple locations in the space
- Innovative staggered shelf layout fits tall and short items
- Three fixed shelves—one full width and two partial
- Internal shelf features electrical outlet for powering small devices such as toothbrushes or razors
- Holds optional Moxie® speaker charging dock (K-81106); speaker and charging dock sold separately
- Low-profile design hugs the wall for a clean look
- Front mirror, inside door mirror, and back panel mirror provide superior visibility
- Two-way adjustable hinges with 108° opening capability for easy cabinet access

Material

- Rustproof aluminum

Installation

- Easy surface-mount installation—no wall cutting
- Reversible: install as left- or right-hinge swing
- Includes mounting hardware
