

HAUTE MOULDINGS

NEW FROM ORNAMENTAL MOULDING & MILLWORK

HAUTE MOULDINGS

This new line from Ornamental Moulding and Millwork features a removable pre-finished gold or silver wood insert. Simply remove the insert, paint and install the moulding, then use construction adhesive to fasten the pre-finished insert.

MOULDING PROFILES

CROWN

- Primed crown with prefinished removable gold rope insert

CHAIR RAIL

- Primed chair rail with prefinished removable gold rope insert

BASEBOARD

- Primed baseboard with prefinished removable gold rope insert

*** Pro Tip:** Fasten mouldings along insert slot, then attach the insert moulding for a cleaner installation
