Installation Guide

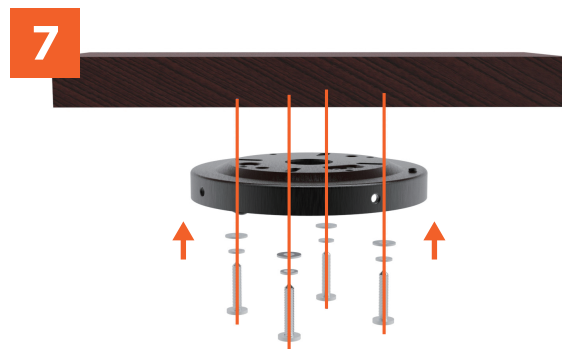

5 Connect the wires of the light fixture.

6 Install the light fixture onto the fan.

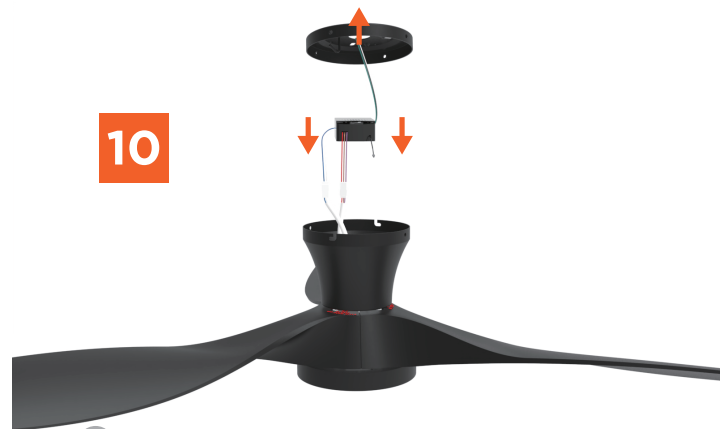

7 Fix the Mounting Bracket to the ceiling.

8 Hang the fan onto the mounting bracket on the ceiling.

- 9 Connect the fan controller's two wire sets (one for lighting, one for fan control) to their respective matching wires on the fan.

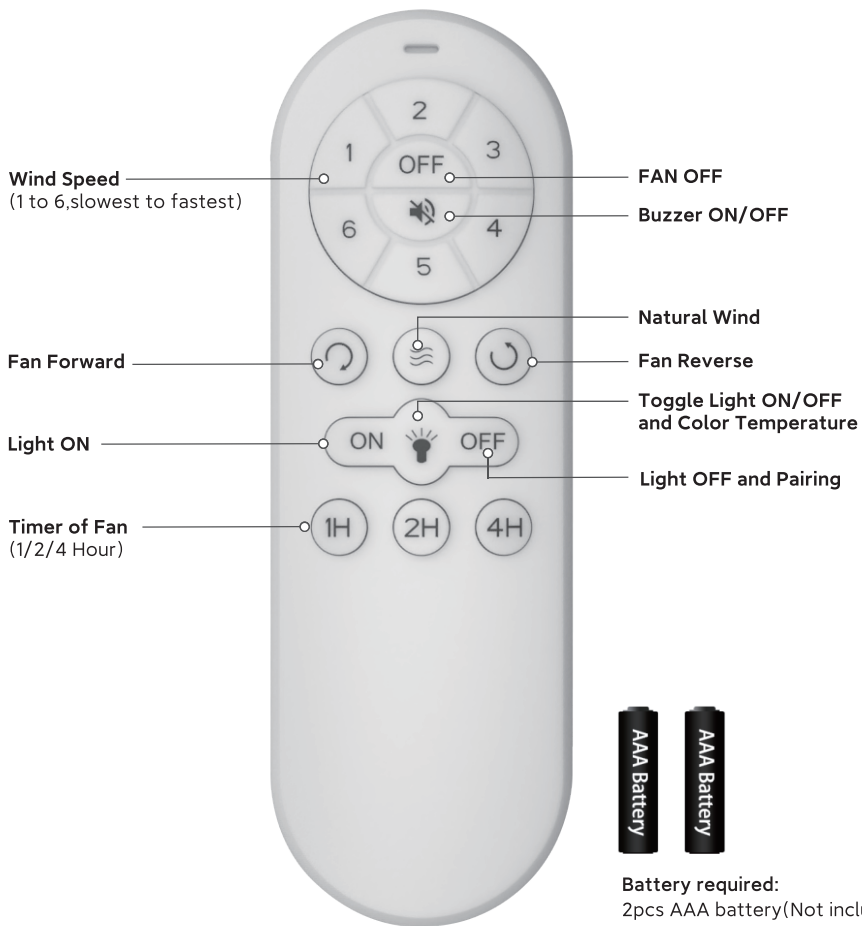

- 10 Connect the input of the controller to the ceiling power cord and place the controller inside the canopy.

- 11 Hang the fan onto the ceiling, secure it in place.

- 12 Installation is complete.

Battery required:
2pcs AAA battery(Not included)

PAIRING METHOD:

Within the first 30 seconds of powering on the fan, press and hold the 'Light OFF' button. A successful pairing is indicated by a beep sound.

TROUBLESHOOTING GUIDE:

If you find the remote control unable to operate the fan, please follow these steps to resolve the issue:

- 1, Check the remote control's battery for proper contact, correct placement, and sufficient charge.
- 2, Re-pair the remote control with the ceiling fan .
