58 litre rectangular sensor can with voice and motion control

specs

sku #	ST2031
upc #	838810022284
material	brushed stainless steel
product (W.D.H.)	18.5 x 13 x 24.8
box dimensions	20.3 x 14.4 x 27.2
MC box	20.3 x 14.4 x 27.2

(in)

weight w/pkg	19.7 lbs.
MC quantity	1
MC weight	19.7 lbs.
MC cube	4.601 ft.^{3}

(lbs / ft^3)

product (W.D.H.)	46.99 x 33.02 x 62.99
box dimensions	51.56 x 36.58 x 69.09
MC box	51.56 x 36.58 x 69.09

(cm)

weight w/pkg	8.94
MC quantity	1
MC weight	8.94
MC cube	0.13

(kg / m)

just say, "open can"
Three microphones triangulate sound for voice recognition accuracy, even in loud, busy environments

motion sensor
Infrared fields sense the areas above and in front of the can so it opens automatically with just the wave of your hand.

smooth, steady power
A planetary gear system transfers speed to torque for smooth, consistent lid operation.

whisper quiet
At 52 db, our can is 50% quieter than the competition's.

neat and secure
Stainless steel liner rim flips up for a quick and easy liner change, then closes over the liner to hold it tightly in place and keep it hidden from sight.

nano-silver clear coat
Protects stainless steel from fingerprints and germs.

liner pocket
Keep liners where you need them. Dispense them one by one — no perforations or unraveling — from inside the can for a faster liner change.

custom fit liners
Code Q liners are designed to fit this can perfectly and are extra strong to prevent leaks and tears. Refill packs dispense liners one at a time and store perfectly in cans with our new liner pocket feature.
