# NAUTICA HOME

COOL + CALM + COMFORTABLE

- 1 Plush Textured Cover**  
Removable, washable cover ensures you always have a clean, hygienic sleep surface.
- 2 .5" Open Cell Memory Foam**  
Provides gentle, targeted support, while sleeping cooling than traditional memory foam.
- 3 .5" Resilient Engineered Latex Foam**  
High density comfort foam supports and contours for all night pressure free comfort.
- 4 7" Pocketed Springs**  
Independent springs are wrapped in fabric to provide consistent distribution of support as well as reducing motion transfer from your partner.
- 5 Edge Support**  
Heavier gauge springs around the perimeter prevent roll off and edge sag.
