

WILLOW HAND DRYER

HIGH SPEED | COMMERCIAL

Our Willow Hand Dryers are high speed and automatic. With a unique design of less than 4-inches in depth, our Willow Hand Dryers are ADA compliant without the need of a recess kit. With a powerful 25000RPM motor, the Willow Model offers a blue light for hand drying efficiency, as well as a HEPA filter to clean bacteria from air intake. The Willow Model automatically activates when hands are placed beneath the sensor and stops when they are removed. It also features an auto-stop function if hands are not removed after 63 seconds.

1 COST SAVING
95% cost savings
vs. paper towels

2 SLIM FIT
Less than 4" depth - ADA
compliant without recess kit
