#### **DESCRIPTION**

Chimney RX Hearth & Grill Cleaner is a commercial strength cleaner. It is a high alkalinity citrus detergent, containing biodegradable surfactants which effectively cut through smoke and creosote.

#### **USES**

Chimney RX Hearth & Grill Cleaner safely removes smoke and creosote stains from fireplace glass, hearths, stoves, brick, stone, and more. Chimney RX Hearth & Grill Cleaner combines the natural cleaning power of citrus with strong cleaning agents to tackle most tough household cleaning jobs. It is great for cleaning barbecue grills as well as clothing and equipment that may have smoke and soot on them.

Chimney RX Hearth & Grill Cleaner also cleans walls, woodwork, kitchen surfaces and flooring. It leaves no streaks or film on surfaces. The product provides a quick easy way to clean anytime, anywhere, while leaving a long-lasting scent of fresh oranges.

#### **ADVANTAGES**

- Fresh citrus odor
- Safe for routine household use
- Strong cleaning power
- Easy to use
- Biodegradable
- Phosphate free

#### **DIRECTIONS FOR USE**

Shake before and occasionally during use. Always test on a small area first. Spray directly on surface to

be cleaned and allow to penetrate briefly. Wipe off with a clean damp cloth and dry. For more difficult jobs, apply generous amount of cleaner and allow to stand for a few minutes before wiping dry. For extremely tough jobs, scrub with a nylon brush or scouring pad and wash with a wet rag and dry. Repeat as needed.

**Note:** Do not use on hot or even warm surfaces. Let surface cool to ambient temperature before cleaning. Do not dilute product.

#### **CAUTIONS**

**Keep out of reach of children.** Eye irritant. Avoid contact with eyes, mucous membranes and prolonged contact with skin. Rubber gloves are recommended for sensitive skin.

Do not mix this product with any other chemicals or cleaners. Do not use with chlorine bleach.

#### **FIRST AID**

**If inhaled:** In all cases of doubt, or when symptoms persist, seek medical advice. Move the affected person away from the contaminated area and into the fresh air.

**If swallowed:** Rinse mouth. Do NOT induce vomiting. If the person is fully conscious, make him/her drink water. Never give an unconscious person anything to drink. Immediately call a POISON CENTER or doctor/physician.

**For skin contact:** Remove/Take off immediately all contaminated clothing. Wash off immediately with soap and plenty of water. Obtain medical attention if irritation persists.

**For eye contact:** Immediately flush eyes thoroughly with water for at least 15 minutes. Remove contact lenses, if present and easy to do. Continue rinsing. Seek medical attention immediately.
