Joy

Gleeful simplicity defines this five-light chandelier from the Joy Collection. Refreshing and fashionable arcing forms of Brushed Nickel metal arms enhance the etched white fluted glass. Coordinating fixtures from this collection let you decorate an entire home with confidence and style. The unique construction comes with two six inch stems and one 72 inch chain to allow the fixture to hang straight and level at any height. For stem hanging fixtures one or two links of chain are still required.
