BLOOMABLES® - ROSE BRICKHOUSE® 2 QT STADIUM POT by Van Zyverden

The Bloomables® collection is made up of the best flowering shrubs that are easy to grow, offer high reward in the garden and have been carefully selected to look good in the garden. Bright colors, unique textures, and of course, amazing blooms, make this collection one-of-akind. These premium young dormant plants ship in a 2 quart pot, without leaves nor flowers in its sleeping beauty stage as it's all about starting with a solid foundation of roots. Dormant potted plants are less likely to be shocked by adverse shipping conditions and/or initial planting and save shipping weight, time and money.

Bright red flowers hold their color well

Ships as a dormant young plant in a 2 qt nursery pot, in its sleeping beauty stage

Dormant plants ship without leaves nor flowers as it's all about the roots About This Variety: This bright red rose doesn't fade and re-blooms throughout the season with a lot of flower power each time. Beautiful, disease-resistant foliage. A wonderful rose for cutting. Asexual propagation without proper authorization is prohibited. Cultivar: 'Meitraligh' Patent: PP 30,141 Floribunda Type

Growing Instructions: Dig a hole two times the width of the Liner pot. Set top of root ball even with ground level. Combine planting mix and garden soil. Fill to ground level and tamp down firmly. Water to settle soil. Add layer of mulch to retain moisture and discourage weeds. Water regularly for the first year, then as needed once established. Feed with a quality fertilizer following application and frequency instructions, typically just before and during the bloom season.

Care Tip: Water regularly until established.

Blooms: Summer

Exposure: Full Sun

Height: Grows 42" tall

Spacing: Plant 42" apart, with root ball even with ground level

USDA Zones: Hardy in USDA zones 5-11
