

Model #DV-1K0067

Overall Dimension: 32 7/8" L x 20" W x 10" H

Features:

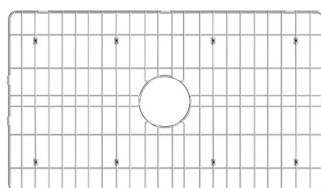

- The kitchen sink features ledges for sliding built-in accessories, transforming it into a temporary workspace to enhance kitchen efficiency.
- Made from high-quality fireclay fired at high temperatures, it offers exceptional durability for frequent use.
- Its non-porous surface is easy to clean and maintain, retaining its original color with regular care.
- The flat bottom slopes slightly toward the center drain, preventing water pooling and ensuring stability for dishes.
- With an interior depth of 9.13 inches, it provides ample space for washing dishes and handling large pots.
- The elegant design enhances kitchen aesthetics while combining style and functionality.
- The heat-resistant fireclay material withstands high temperatures without damage.
- Its surface is scratch and stain resistant, maintaining a pristine look over time.
- Its surface is scratch and stain resistant, maintaining a pristine look over time.
