

Item #: 5720878

Model #: TZ-5455

Manufacture Date: 0624

1x

4x

1. Insert Screws in the designated screw posts. Leave enough space for the tree trunk.

2. Place the tree trunk onto the center of the stand.

3. Tighten the screws to secure the tree in place.

4. Add water, as needed.

The Christmas tree setup is complete.
