## THICKNESS LEVELS

GAUGE	SOUND DEADENING	FINISH	DEPTH	WARRANTY
16 GAUGE	3 MM	BRUSHED	7 INCHES	LIFETIME WARRANTY

Premium grade 16 gauge stainless steel for corrosion resistance, durability and beauty.

Eye catching, durable and easily maintainable stainless steel brush finish.

Extra thick 3mm sound-deadening pads on all 4 sink sides and bottom minimizes sound and vibration for a quieter time at the sink.

Rounded corners for easy cleaning.

Straight sidewalls give the sink a flat bottom and offer more usable space for stacking, soaking and washing dishes.

Superior Undercoating prevents condensation buildup, protecting cabinets.

Also provides additional sound-dampening.

## Style and Durability

From traditional to contemporary, our Transolid® stainless steel sinks have timeless appeal to complement any decor.

Transolid® stainless steel sinks are precision made of heavy duty 16-gauge type 304 stainless steel for lasting durability, performance and lustrous beauty.

### Undermount Installation

Extra thick 3mm sound-deadening pads on all 4 sink sides and bottom minimizes sound and vibration for a quieter time at the sink.

Sinks have standard 3-1/2" drain opening.
