

DECK MAINTENANCE

Help your deck last for years to come with a few simple steps that keep wood looking beautiful.

**RAIN, DEW,
FROST, ICE
& SNOW**

all lead to standing moisture, wearing down your deck.

HOW TO KEEP YOUR DECK AT ITS BEST:

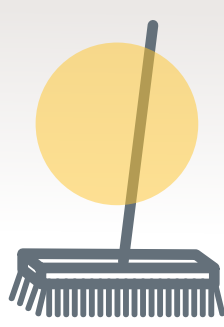

SEAL

Seal your deck to protect against damage caused by the weather

CLEAR

Remove snow from flat surfaces with a broom or leaf blower before it melts

COVER

Place furniture covers so they won't trap moisture

ORGANIZE

Move potted plants back from deck edges and plant greenery where they cannot drip onto woodwork

DIVERT

Reroute water away from your home with gutters

DEFEND YOUR DECK

Choose lasting protection and beauty with Cabot® premium wood stains.
