

A three-tiered, silver, textured fountain. The top tier is a shallow, wide bowl that pours water into a narrower, taller middle tier. The middle tier pours water into a wider, shorter bottom tier. The entire structure has a fine, pebbled texture. Dimensions are indicated by black lines and text: a vertical line on the left shows a height of 34.25 inches, a horizontal line at the base shows a width of 9.84 inches, and a diagonal line at the bottom right shows a depth of 9.45 inches.
