

Minwax® Polycrylic Protective Finish

CRYSTAL-CLEAR PROTECTION THAT KEEPS STAIN COLOR TRUE

Minwax Polycrylic Protective Finish applies easily, dries ultra fast and dries crystal clear.

- Adds long-lasting beauty and protection to interior woodwork, furniture, doors and cabinetry
- Ideal over bare wood, especially maple, ash and birch
- Perfect over all stains, especially light and cool tones like blue and gray
- Cleans up with soap and water
- Available in five sheens, including trendy Ultra Flat for nearly invisible protection

Appears milky in can, dries crystal clear

Available in Ultra Flat, Matte, Satin, Semi-Gloss and Gloss

Sold in gallons, quarts and 11.5 oz. aerosol (varies by sheen)

IMPORTANT: Polycrylic is not recommended for use on floors.
