A - Height	70-5/8"
B -Width	32"
C -Depth	31-1/8"
Depth with Door Open 90°	59-3/8"
Shipping Weight	258
CSA Rating	Household
Annual Energy (kWH)	691
Annual Energy Cost (.0906 / kWH)	74
Power On Light	

*When installing freezer adjacent to wall, cabinet or other appliance that extends beyond front edge of unit, 20" minimum clearance recommended to allow for optimum 140° door swing, providing complete basket access and removal. (Absolute 3" minimum clearance will ONLY allow for 90° door swing which will provide limited basket access with restricted removal.)

NOTE: Always consult local and national electric and plumbing codes. Refer to Product Installation Guide for detailed installation instructions on the web at frigidaire.com.

¹ An electrical supply with grounded three-prong receptacle is required. The power supply circuit must be installed in accordance with current edition of National Electrical Code (NFPA 70) and local codes & ordinances.
