

IRWIN® VISE-GRIP®

7-IN-1 MULTI-FUNCTION WIRE STRIPPER ONE TOOL, SEVEN FUNCTIONS

The IRWIN® VISE-GRIP® 7-in-1 Multi-Function Wire Stripper provides multiple functions for tool consolidation while on the job. This forged steel tool has a rounded style nose, which is ideal for wire twisting and loop making. It also has 3-shot bi-material grips for comfort and control, and are spring-loaded to help reduce hand fatigue with repetitive cuts. The storage locking mechanism helps eliminate any issue with storing in tool belts or toolboxes.
