

FRASER HILL FARM®

Let It Snow Series Tabletop Lanterns

Capture the magic of falling snow with this musical tabletop lantern from the Let It Snow series by Fraser Hill Farm, where all products produce flurries of faux snow that fall over various holiday scenes.

Sparkling LED lights illuminate the white polyfoam beads cascading over a Flying Santa scene. Three popular holiday tunes play randomly while the artificial snow flutters inside the lantern. You can enjoy the lights and snowfall with or without music.
