Highlights

Paint your outdoors

With Philips Hue outdoor lighting there's no limit to the magic you can add. Play with 16 million colors and all shades of white light to create the effect you want. Highlight objects, trees or pathways to make your space stand out. Use the Hue app to save your favorite light settings and recall them whenever you want with the tap of a finger.

Warm to cool white light

Extend your evenings with Philips Hue outdoor lighting. Set the right ambiance on your patio, balcony or porch and relax. From the warm white light of a summer sun, to the ice cool daylight of winter: you can enjoy any shade of white light to fit your mood throughout the year.

Decorate for the holidays with light

Holiday cheer starts here — with smart light! Use your Philips Hue lights to transform your home into a festive experience: bright reds and greens for Christmas, subtle pastels for spring, or even an eerie purple glow to create the most haunted house on the block on Halloween.

Control it your way

Connect your Philips Hue lights with the Bridge and start discovering the endless possibilities. Control your lights from your smartphone or tablet via the Philips Hue app, or add the indoor switches to your system to change your lights. Set timers, notifications, alarms, and more for the full Philips Hue experience. Philips Hue even works with Amazon Alexa, Apple HomeKit and the Google Assistant to allow you to control your lights with your voice.

Smart control, home and away

Light up your outdoors and see what's going on outside. By connecting your outdoor lights with the Hue Bridge you can control them in any way you like. With the Philips Hue outdoor sensor, our indoor remote control options such as the Philips Hue app or using your voice (Amazon Alexa, Apple HomeKit or Google Assistant) you can control your outdoor lights. You can set light schedules to mimic your presence. Control your outdoor lighting from the comfort of your home or from any other location.

Set your lights to welcome you

Experience the comfort of your lights turning on automatically when you arrive and turning off when you leave. Unload your car, enter your house, all with the comfort of the right light. Either use the Philips Hue outdoor sensor, or set the Hue app to Home or Away mode to switch on all your lights, or let geolocation do it for you, all without touching a button. It's as easy as that.

Requires a Philips Hue bridge

Connect your Philips Hue lights with the Bridge to control your lights from your smart phone or tablet via the Philips Hue app. Or control your Philips Hue lights with the Philips Hue dimmer indoor switch for on/off and dimming functionalities.

Weather-proof

This Philips Hue outdoor fixture is specially designed for use in outdoor environments and has undergone rigorous tests to ensure its performance. UL Wet Location rated. This means the product is suitable for use in wet locations.

Powerful light

This Philips Hue light possesses a LED light source which illuminates a large portion of your garden. Find the route to your driveway, pathway, front- or back door brightly lit up, all with the comfort of the right light. Never lose track of what is happening around your house with this powerful Philips Hue light.
