

FRASER HILL FARM®

22-in. Snowman Christmas Wreath Door Hanging with Berries, Pine Branches, Burlap Bow and Top Hat

Spruce up your holiday decor with a 22-inch snowman door hanging from Fraser Hill Farm. Let this snowman welcome people to your home with its rustic twig base, accented by festive details like a jaunty top hat and red plaid bow. Artificial red berries and PVC greenery are paired with real pinecones, all speckled with white, snowy accents to complete the look. This versatile door hanging can be displayed indoors or in a covered outdoor space, like a porch or patio, and is a great alternative to traditional wreaths and greenery. It comes fully assembled and ready to deck the halls, just unbox, fluff and hang. With this wintry decoration at the center of your holiday gatherings, you'll have seasons upon seasons of holiday cheer.

- Perfect for indoor and covered outdoor use
- High quality faux trimming does not require maintenance
- Made with flame-retardant and non-allergenic materials
