

# The Gel-Gloss Family of Products

## GEL-GLOSS

The cleaner made at the request of manufacturers of fiberglass products and cultured marble vanities. It contains non-harmful abrasive cleaning agents that remove surface oxidation and light scratches, while leaving behind a protective carnauba wax coating. Cleans, protects and restores luster while providing a long lasting protective finish. It can also be used on acrylics, corian, porcelain, ceramic and stainless steel sinks.

### TO ORDER:

2 oz.	GG-2
1/2 Pint	GG-8, GG-8B
Pint	GG-1, GG-1B
1/2 Gallon	GG-64
Gallon	GG-128

## GEL-GLOSS AEROSOL

The same benefits of liquid Gel Gloss in an easy to apply aerosol form. Unique chemical cleaners that clean without scratching gelcoat surfaces. Removes water spots, light oxidation and surface scratches. Restores luster and leaves a protective finish all in one easy application.

### TO ORDER:

12 oz.	GA-12, GA-12B
--------	---------------

## NO STREEK GLASS & SILVER POLISH

A professional grade polish that contains silicone and protects like a wax. This is an easy two step process, wipe it on, allow it to dry to a haze and polish it off. The cleaners work aggressively on hard water spots and tough residue. Beads water and leaves behind a protective coating. No Streak Glass and Silver Polish is not just for the kitchen and bath. Use it around the house and on car windows too!

### TO ORDER:

2 oz.	NS-2
1/2 Pint	NS-8, NS-8B

## NO STREEK GLASS CLEANER AEROSOL

An easy to use aerosol that cleans and shines easily and conveniently. Spray it on and wipe it off to sparkling windows. It is fantastic on glass, metal, chrome and mirrored surfaces. Even when used in direct sunlight, it cleans and does not streak!

### TO ORDER:

19 oz.	NS-019, NS-019B
--------	-----------------

Part numbers with suffix "B" are bilingual (English/French).

All others are English/Spanish with the exception of 2 oz. sizes and the AC-12 and CG-12 which are English only.
