TWO WAYS TO BEAUTIFUL WOOD

DOS FORMAS PARA UNA MADERA HERMOSA

TRADITIONAL THREE-STEP METHOD

MÉTODO TRADICIONAL DE TRES PASOS

Long-lasting beauty.
Belleza duradera.

1. Prep | Preparar

Ensure even stain penetration.

Garantiza una penetración uniforme del tinte.

2. Stain | Aplicar tinte

Add rich color.

Agregue un color rico.

3. Protect | Proteger

Protect for long-lasting beauty.

Protección para una belleza duradera.

CONVENIENT ONE-STEP METHOD

CONVENIENTE MÉTODO DE UN PASO

All you need in **one** can.
Todo lo que necesita en una lata.

At Minwax® we've been making and keeping wood beautiful for over 100 years. When you reach for the yellow can, you're reaching for a heritage of excellence. You're reaching for a promise to keep things practical.

You're reaching for the Gold Standard.

En Minwax®, embellecemos y protegemos la madera desde hace más de 100 años. Cuando elija la lata de pintura amarilla, estará eligiendo una herencia de excelencia. Estará eligiendo una promesa para mantener las cosas en un nivel práctico.

Estará eligiendo la norma dorada.
