

RECHARGEABLE SLIM WIRELESS RF KEYBOARD FOR WINDOWS PC

User's Guide

Introduction

Thank you for purchasing the Macally RFVVKEYBAT. The Macally RFVVKEYBAT slim USB keyboard has a standard layout with 110 full size, yet thin keys for a comfortable and efficient typing experience. The additional shortcut keys and numeric keyboard further increase efficiency and productivity. This keyboard is ultra slim (only 0.7"/18 mm) and compact to save space on the desk and easily store inside a keyboard drawer. The Macally RFVVKEYBAT is very easy to use. Simply plug the USB dongle into the USB port of your computer and you are ready to go! No software is required! The built-in rechargeable battery will power the RFVVKEYBAT up to 2 months before next charging is required. You will never need to replace keyboard battery again. Thin, compact and versatile, the Macally RFVVKEYBAT is the perfect companion for your PC!

Package Contents

Macally Product Information

Warranty

Macally peripherals warrants that this product will be free from defects in title, materials and manufacturing workmanship for one year from the date of purchase. If the product is found to be defective then, as your sole remedy and as the manufacturer's only obligation, Macally will repair or replace the product. This warranty shall not apply to products that have been subject to abuse, misuse, abnormal electrical or environmental conditions, or any condition other than what can be considered as normal use.

Limitation of Liability

The liability of Macally Peripherals arising from this warranty and sale shall be limited to a refund of the purchase price. In no event shall Macally Peripherals be liable for costs of procurement of substitute products or services, or for any lost profit, or for any consequential, incidental, direct or indirect damages, however caused and on any theory of liability, arising from this warranty and sale. These limitations shall apply not with standing any failure of essential purpose of any limited remedy.
