

Products covered by the Klymit Limited Lifetime Warranty Guarantee

Klymit offers a Limited Lifetime Warranty on its **sleeping pads, inflatable pillows, and Litewater Dinghy.**

Klymit sleeping pads, inflatable pillows, and LWD are guaranteed for the life of the product, against manufacturing and material defects. Klymit will repair or replace your Klymit limited lifetime covered gear if it is found to be defective under normal use and service, without charge.

While Klymit uses the best materials and components for its products, all materials and components eventually wear out with use and exposure over time. A Covered Product's life is measured by how much use it gets and how well it is care for - not the products overall age.

Items will be repaired or replaced at the discretion of Klymit. This warranty does not cover defects or damage arising from improper use or maintenance, normal wear, and tear, commercial use, accident, or external causes. Unauthorized repair, modification, or customization of your product voids this warranty. If a replacement product is unavailable or discontinued, a comparable product will be substituted.
