

Power Products® CERTIFICATE OF WARRANTY

Anthony Power Beam®, Anthony Glulam, Power Rated Glulam (PRG®), Power Header®, Power Column®, Power Joist®, Power Log®, and Power Plank® are superior glued laminated products engineered for reliable, lower cost performance in industrial and residential uses. Anthony Power Products® are manufactured under strict quality control procedures.

Subject to the terms of our warranty, we guarantee our family of Power Products® to be free from defects in design, materials and workmanship and will reimburse you for or replace any Power Products® which become structurally unfit due to any such defects.

We guarantee prompt and courteous customer service. For any questions concerning our limited lifetime warranty, call us at 1-800-221-2326.

Our family name is on all of our Power Products®. We intend to live up to our reputation for quality and service. We appreciate your confidence and your business.

Aubra Anthony, Jr., President & CEO

POWER PRODUCTS®

Limited Lifetime Warranty

Anthony Forest Products Company ("Anthony Forest") warrants that its Power Beam®, Power Header®, Power Rated Glulam (PRG®), Power Joist®, Power Log®, Power Plank®, and Glulam (collectively "Power Products®") are free from defects in designs, materials and workmanship. When installed and finished according to our published installation instructions and accepted engineering standards, our Power Products® will perform in accordance with our current published specifications for the lifetime of your home or building.

Warranty Limitations

Anthony Forest Products Company must be given a reasonable opportunity to inspect the product before it will honor any of the claims under this warranty. If, after inspection and verification of the problem, we determine that there is a structural failure covered by the warranty, we will pay the owner of the structure an amount of money equal to the reasonable cost of the defective product, or at our option, replace any defective product. This warranty does not cover the costs of installation, removal of the defective product, or reinstallation of replacement product. Checks, cracks, or splits of Power Products® resulting from the natural physical properties of wood are not covered, unless the condition causes a structural weakness.

Please protect your investment! Power Products® must be protected from exposure to moisture from whatever source by proper building standards. Treatment of Power Products® with water borne preservatives shall void this limited warranty. In addition, this warranty shall not apply to Power Preserved Glulam® Beams and Columns, which shall be covered by a separate warranty.

This warranty shall apply only if the Power Products® are subjected to normal use and exposure. The products must be stored, handled, and installed in a manner generally accepted in the industry, and in accordance with our current published installation instructions and in compliance with our product design specifications relating to spans and loading. Failure to follow such instructions will void this warranty.

Disclaimer

Except for the express warranty and remedy set forth above, Anthony Forest Products Company disclaims all other warranties and guarantees, express or implied, including implied warranties of merchantability or fitness for a particular purpose, quality, or suitability. Except as stated in this warranty, no other warranty or guarantee has been made by or on behalf of Anthony Forest Products Company or the seller or by operation of law with respect to the products or their installation, storage, handling, maintenance, use, replacement, or repair. To the maximum extent permitted by applicable law, neither Anthony Forest Products Company nor the seller shall be liable by virtue of any warranty or guarantee, or otherwise, whether in contract or in tort or under any other legal theory for any special or incidental or consequential loss or damage resulting from the use of any of the products. Anthony Forest Products Company makes no warranty or guarantee with respect to the installation of the products by the builder or the builder's contractors or by any other installer.

This warranty sets specific legal rights. You may also have other rights which vary from state to state.
