

Aluminum Gate

Assembly Instructions

v20231218US

Important Note

Please Read All Sections Carefully Before You Start

For the most up to date information, please visit our website @ www.newtechwood.com

1. Parts

Before assembling, please check the packing parts carefully according to the sections on page 3, "Components" of this Assembly Instruction sheet. If parts are missing, please contact the retailer from which you acquired this table to get the missing parts.

2. Safety

- 2.1 It is recommended to wear appropriate safety equipment to avoid any risk of injuries but it is not limited to the following safety equipment when assembling the Aluminum Gate: gloves, safety shoes, safety goggles, long sleeves, and pants.
- 2.2 We recommended assembling the Aluminum Gate by two people to avoid any risk of injuries. **DO NOT** attempt assembling by one person.
- 2.3 The Aluminum Gate is not designed for use as a standing platform or a ladder. **DO NOT** stand on the Aluminum Gate as there is a risk of falling and injury.

3. Tools

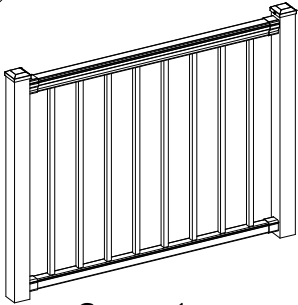

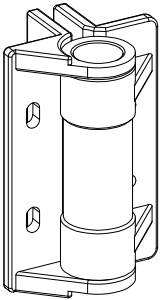

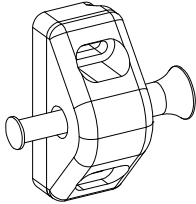

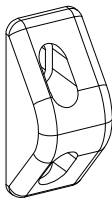

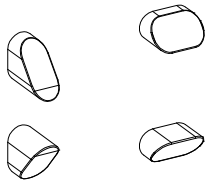

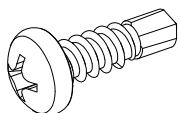

Always use the proper tools for assembly.

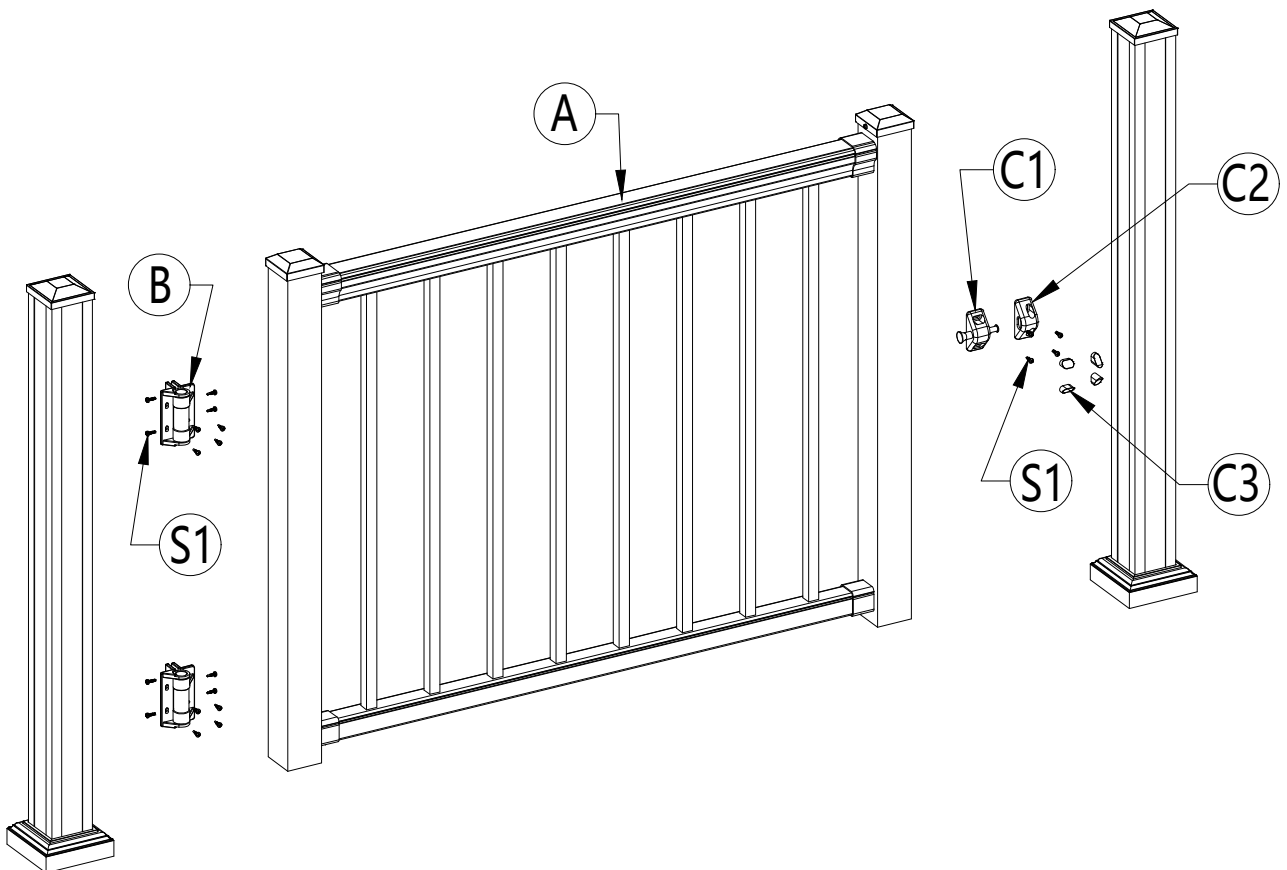

4. Assembling Procedure

Please follow the steps of the Assembly Instructions sheet in order.
