

STAY·TITE®

Commercial Fastening System™

For use with
Bemis, Church & Olsonite
Commercial Toilet Seats.

Installation Instructions:

1. Assemble hinges.
2. While holding seat centered on bowl, finger tighten nuts.
3. Use a wrench on the lower part of the nuts and alternately tighten them until the lower portions **SNAP OFF**, indicating proper tightening torque.

U.S. Patent #8,281,420.
