FEATURES & BENEFITS

A touch of brilliance - Bring interactive capabilities into your kitchen with a 7" LCD touch screen that looks stunning and makes it easy to control your oven

Design that pushes boundaries - Extraordinary design meets outstanding functionality thanks to a push-to-open storage drawer that eliminates the need for an additional handle on your range's façade, creating a unique, sleek aesthetic in your kitchen

WIFI-ENABLED FEATURES

Built-In WiFi, Powered by SmarthQ App - Manage all aspects of your kitchen with the help of the SmarthQ™ App or your voice assistant

Personalized Features + Upgrades - Usher in the latest features by downloading cooking upgrades right to your oven, putting Air Fry and more in your repertoire

No-Preheat Air Fry - Cook healthier, crispier versions of your favorite foods in less time, thanks to an air fryer right in your oven that doesn't require preheating, a basket or a special tray

In-Oven Camera - Check status from anywhere without opening the oven door with live streaming video of your food on your smartphone

Gourmet results without any guesswork - Take culinary skills to the next level with Gourmet Guided Cooking, which combines video-guided recipes from chefs with a system that automatically adjusts the time, temperature and cooking pace for perfect results

Harness a sense of control - Turn any pan into a smart pan and automatically maintain a set temperature within one degree, thanks to a cooktop sensor that gives you total control from either the display or your smartphone

Precision is the name of your cooking game - Confidently try new recipes and perfectly execute your favorites, using a smart system that automatically tracks progress, modifies temperatures and adjusts cook times

DIMENSIONS

Receptacle Locations: Locally approved flexible service cord or conduit must be used because terminals are not accessible after range installation. See shaded area in drawing for location of electrical outlet box. Recommended outlet locations allow range to be installed directly against rear wall.

Note: This appliance has been approved for 0" spacing to adjacent surfaces above the cooktop. However, a 6" minimum spacing to surfaces less than 15" above the cooktop and adjacent cabinet is recommended to reduce exposure to steam, grease splatter and heat.

Installation Information: Before installing, consult installation instructions for current dimensional data and additional requirements.
