Dos

When you are ready to start, make sure that you have the right tools, plenty of space and a clean, dry area for assembly.

Unwrap all packaging materials and place the components on suitable surface to prevent scratching your product.

Check the pack and make sure you have all parts listed. In the event of problems or missing parts, please contact the seller.

Check all screws and bolts are tightened and inspect regularly.
We recommend the use of furniture covers to protect your product when not in use.

This product is suitable for all year outdoor use, but we recommend that a furniture cover be used to add additional protection to your product when not in use.

PLEASE NOTE - All cushions should be stored indoors after use. The cushions are not waterproof.

During severe weather conditions and in the winter months we recommend moving your furniture inside into a cool, dry place.

Before storage, ensure that the product is clean and dry.

To clean, wipe down with a sponge and warm soapy water and wipe with a clean, dry cloth.

Don'ts

Do not use scourers, abrasives, washing powders, chemical cleaners or any other substances containing abrasives since these substances can damage the product, including the glass panel.

Do not place very hot or very cold items on the glass surface unless adequately thick table-mats are used to prevent such items from coming into contact with the glass.

Do not use the glass as a chopping surface.

Do not strike the glass with hard or pointed items.

Do not use power tools to construct this product.

Do not use this product if parts are missing, damaged or worn.

Do not sit or lean on this product.

Do not stand or climb onto the product and do not use it as a ladder, as this could lead to it unbalancing and overturning.

Never drag furniture when moving it, always lift it.
