

CETUS - ODL2 | LED Dusk to Dawn

The Cetus LED Dusk to Dawn utilizes a single LED source and provides a light output suitable for general purpose security and area lighting. The Cetus is an economical and efficient lighting solution that includes a photocell and tubular mounting arm. The fixture easily installs on a wall or pole (included).

- Stainless steel hardware
- Die-cast aluminum housing
- Non-yellowing polycarbonate lens

Applications: Barnyard and storage unit application where dusk to dawn lighting is needed
