

Installation Manual

Installation Steps:

1. Fix the hanging board on the wall using screws.
2. Fix the lamp post on the lamp base using screws.
3. Connect the wire of the bulb to the main power line and tighten and fix the lamp base with a nut.
4. Lock and fix the lampshade cap ring onto the lampshade.
5. Install the light source.
6. Use the accessory screws to install and fix the lamp base plate on the wall.
