# Storage Made Simple Buying Guide

Storage Made Simple is a collection of versatile home storage and organization products. They are uniquely and beautifully designed for use in the bathroom, kitchen, closet, or anywhere countertop or drawer storage is needed. A variety of sizes are available for all of your organizational needs, including: cosmetics, grooming, arts and crafts, office supplies, and cleaning products.

## Types of Storage Solutions

4 Compartment Bin

Hair Care Tray

5 Compartment Rotating Bin

6 Compartment Rotating Bin

## Features to Consider

### Drawer or Countertop Storage

Most of our Storage Made Simple organizers are able to be stored on your countertop or inside a drawer.

### Versatile Design

The Storage Made Simple Organizers are made of high-quality, clear plastic and are versatile design. Use for Cosmetics, Grooming, Arts and Crafts, or Office Supplies.

### Non-Skid Feet

The non-skid feet on Storage Made Simple Organizers help keep the organizer in place.

## Cleaning Instructions

Storage Made Simple products are top rack dishwasher safe. Simply place your organizer bin or tray on the top rack of your dishwasher for easy cleaning.
