BEFORE STARTING ASSEMBLY

- ① Some parts have metal edges. Please be careful when handling components. Always wear work gloves.
- ② Please check all parts and components to ensure that there are no damages or missing items BEFORE starting the construction of the product.
- ③ Please do not fully tighten the bolts prior to complete assembly.
- ④ Retain for future reference. Read carefully. For domestic use.

Please note the deck box will be loose until the top frame is installed. Once secured, it will become sturdy and firm. Please be patient during installation.

Hole position correction drill

If the screw holes are not symmetrical, you can use this tool to correct the hole position.
