WHISK AWAY ODORS FAST:

Don't let your tonight's meal become tomorrow's headache. Our stainless steel range hood catches grease before it has a chance to make a mess and odors before they linger. That means a healthier, cleaner kitchen for you and your family.

POWERFUL SUCTION:

At Hauslane, we believe home chefs deserve professional design and performance too! The performance can't be beat and is perfect for heavy-duty cooking methods including heat, and smoke; boiling, steaming, poaching, braising, frying, searing, and sautéing.

HIGHLY CUSTOMIZABLE:

Conserve energy while always having the exact amount of light you need with our 2 light settings. Also comes with a 3-speed setting that allows you to stay in control of the noise and suction power.

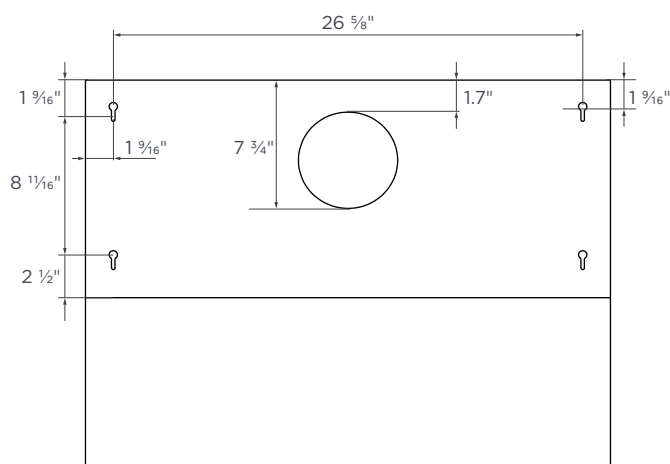

FITS COMPACT SPACE:

Small kitchen? No problem. The slim profile of this kitchen hood fits perfectly in tight spaces. Fits any 6" round duct.

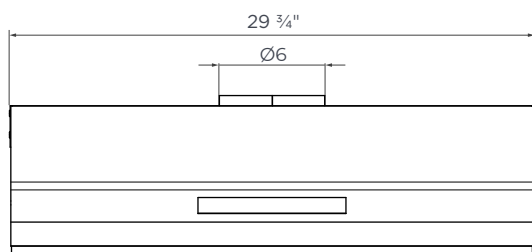

DISHWASHER-SAFE BAFFLE FILTERS:

We know your time is valuable. That's why we design our wall chimneys to be simple to clean and maintain. Pop out the baffle filters and run them in your next dishwasher cycle. Simple.
