

**EXPANDABLE SHELVES - FIT ANYWHERE**

# WALK-IN

## ARE YOU LOOKING TO GET ORGANIZED?

EZ Shelf Expandable products will help you start the organization process with closet and garage kits, laundry room, kitchen, and office shelving units and other products.

### **The best part is that the installation is Easy!**

No Cutting or complicated measuring as all EZ Shelf products Expand to Fit and hardware is included with each unit!

Custom Designs are Easy as EZ Shelves can be mounted anywhere, and are Modular (join units together to make longer shelves) - create your own dream closet design. They look great and are super strong (up to 200 lbs for closet shelving & 250 lbs per shelf for garage shelving).

**EZ Shelf products can be installed by one person, in less than an hour with limited tools, and are Guaranteed for Life.**

The products come in White and Silver and in various lengths including: 17.5" - 29", 28" - 50", 40" - 75", & 64" - 120".

All EZ Shelf products are assembled and packed in the USA and most EZ Shelf parts are Made in the USA.

# CLOSETS

# REACH-IN

## ORGANIZED REACH-IN CLOSETS!

Most closets in North America are Reach-In and typically just have just one hanging rod, or a flimsy wire shelf. EZ Shelf Expandable Reach In Kits and Shelving allow for double hanging of pants, shirts, and dresses as well as storage shelves for sweaters, shirts, shoes, and boxes.

Reach in Closet Custom Designs are Easy with EZ Shelf Expandable and Modular products and cover lengths from 28 inches to 120 inches.

**EZ Shelves are Super Strong and hold weights up to 200 lbs. Shelves and Kits are available in various sizes and in White and Silver finishes.**

EZ Shelf products can be installed by one person in less than an hour, with limited tools, and are guaranteed for life.

EZ Shelf Snap-on Tops (purchased separately) allow consumers to make flat ventilated shelves that will fit any length.

All EZ Shelf products are assembled and packed in the USA and most EZ Shelf parts are Made in the USA.
