## Set of 3 Color Changing Birch Trees in Warm White and Multi-Color LED Lights

Create a sparkling winter wonderland with this set of 3 Color Changing Birch Trees from Fraser Hill Farm. These three color changing birch trees will create a magical, illuminated forest inside your home or on your covered, outdoor porch. Ranging in size, these 4-ft., 5.5-ft., and 6.5-ft. tall trees have eight different lighting functions, including a twinkle feature, and show bright, luminous light in both warm white and multi-color. These festive decorations have 1,112 LED lights covering the trees' sturdy metal frames. The tape-wrapped branches are flexible, which allows for easy storage, and also for shaping the trees as you see fit. For irresistibly unique decor that celebrates the spirit of Christmas, count on quality products from Fraser Hill Farm.
