FEATURES & BENEFITS

Perfect For:

- Gravity walls up to 3' (0.9m) high
- Tiered walls
- Planters
- Tree rings
- Garden borders

Installation & Versatility

- Easy to handle, the unit's interlocking rear lip design requires no special tools for installation.
- Build to fit the contours of your yard by creating straight, curved or terraced walls.

Beauty and Performance

- The beauty of quarried stone combines with earth tone color blends to enhance any landscape.
- High-strength concrete blocks create a durable project that is virtually maintenance-free.
- Keystone's Sculpterra® Technology allows units to be embossed with a Hewnstone texture.

Note: Unit color, dimensions, weight & availability varies by manufacturer.
