

# COASTAL CLARITY™ SHOWER DOOR RESTORATION KIT

## RESTORE YOUR SHOWER'S BRILLIANCE IN THREE STEPS

Formulated to restore glass to its original beauty and keep it in excellent condition, this complete kit eliminates hard water stains and soap scum, prevents build-up and maintains a streak-free, brilliant shine.

### STEP 1: CLEAN

Removes hard-water stains and grime build-up

Renew your shower door with the Clean cream and buff away impurities with the yellow Eliminator Pad, manufactured specifically to remove hard water stains and soap scum that have built up over time on your glass shower enclosure.

### STEP 2: SEAL

Creates a water-repellent protective seal

Protect your shower door with the Seal treatment and the white microfiber applicator pad. This unique co-polymer formulation creates a durable, long-lasting protective coating and restores shower doors to their factory finish.

### STEP 3: MAINTAIN ULTRA BLUE

Cleanses to maintain long-lasting brilliant clarity

Preserve the clarity of your shower door with the Maintain Ultra Blue treatment and blue microfiber cloth. Used for maintenance and care, this residue-free and anti-static cleaner is formulated to prevent dust and dirt build-up, so surfaces stay clean up to three times longer.
