

Harmful bacteria
does not stand a chance
with Sanitized®

Antimicrobial **Sanitized®** Technology

The Kitchen is the Heart of Every Home.
The Integrated Antimicrobial Sanitized®
Technology Helps to Keep Your
Franke Granite Sink a “Clean Zone”.

Odor Management
The integrated
odor-catchers attract
and neutralize odors.

Hygiene Function
Ensures safe protection
against infestation of
bacteria and mildew in
your sink.

Food Safe
Sanitized® is accepted
for use in polymers with
food contact by the US
EPA, US FDA

MAKE IT WONDERFUL
