

# FibaTape® Mold-X10™

## Mold-Resistant Drywall Tape

Designed specifically  
for use with mold  
resistant board

MADE IN THE  
USA 

# Resists mold and mildew, perfect for high moisture areas

FibaTape® Mold-X10™ drywall tape features an anti-microbial coating which provides enhanced mold protection. Mold-X10 is designed specifically to be used with mold resistant boards and other paperless drywall in high moisture areas.

- **Anti-microbial properties** - Provides superior mold protection over paper tape in moist environments
- **Industry leading** - Perfect "10" rating on ASTM D3273 mold test (Standard Test Method for Resistant to Growth of Mold on the Surface of interior Coatings in an Environmental Chamber)
- **Self-adhesive** - Easy application
- **Reduced dry time** - Embedding coat is not required
- **Smooth finish** - Eliminates blisters and bubbles commonly found with paper tapes
