

BLOOMABLES® - ROSE PEARLESCENT™ 2 QT STADIUM POT
by Van Zyverden

The Bloomables® collection is made up of the best flowering shrubs that are easy to grow, offer high reward in the garden and have been carefully selected to look good in the garden. Bright colors, unique textures, and of course, amazing blooms, make this collection one-of-a-kind. These premium young dormant plants ship in a 2 quart pot, without leaves nor flowers in its sleeping beauty stage as it's all about starting with a solid foundation of roots. Dormant potted plants are less likely to be shocked by adverse shipping conditions and/or initial planting and save shipping weight, time and money.

About This Variety: This beautiful, intoxicatingly fragrant rose has pure white, double flowers. It blooms almost continually from spring through frost, and the slightly ruffled petals become tinged with a hint of pink as cooler weather sets in. Asexual propagation without proper authorization is prohibited. Cultivar: 'Radfragwhite' Patent: PP22,988 - Landscape shrub rose

Growing Instructions: Dig a hole two times the width of the Liner pot. Set top of root ball even with ground level. Combine planting mix and garden soil. Fill to ground level and tamp down firmly. Water to settle soil. Add layer of mulch to retain moisture and discourage weeds. Water regularly for the first year, then as needed once established. Feed with a quality fertilizer following application and frequency instructions, typically just before and during the bloom season.

Care Tip: Water regularly until established.

Blooms: Summer to Fall

Exposure: Full Sun

Height: Grows 48-60" tall

Spacing: Plant 36" apart, with root ball even with ground level

USDA Zones: Hardy in USDA zones 5-10

Guaranteed to grow 1 year from purchase if directions are followed. Any concerns related to quality and/or counts feel free to contact us.
