48" DUAL FUEL RANGE, STAINLESS STEEL

Sealed Burners

Enamel Oven Interior

High Quality Control Knobs

Continuous Grates

Blending the functionalities of a gas cooktop and an electric oven, the Brama 48" Dual Fuel Range and Oven is a popular choice for cooking enthusiasts, featuring a 6.7 cu ft capacity oven, a stainless steel body with a matching kickplate, and eight sealed burners with a cooking power range from 6,000 to 20,000 BTUs. Equipped with a cast-iron cooking plate and a stainless steel control panel with premium control knobs, it also boasts telescopic oven racks for easy access, oven light and convection fan switches, a blue porcelain oven interior, commercial convection fans, a removable grill/plancha, and two 25W halogen lights for ample illumination.

- Commercial convection fans
- Stainless body with stainless steel kickplate
- 8 sealed burners
- Cast-iron cooking plate
- Stainless steel control panel with high quality control knobs
- Telescopic oven racks with full ball bearing glide extensions
- Electric oven 8 pass burner element and blue porcelain oven interior
