The Armarkat product line is both pet-centric and pet-friendly. Soft, cozy Pet Bed covers are washable, resilient and stain resistant. Our cat trees, in visually appealing materials and hues, blend with any décor. Sturdy bases and foundations support easy-to-assemble structures great for cat climbing, perching and relaxing. Different models include running ramps, ladders, swinging ropes hammock and cat condos along with lots of sisal scratching posts.

Only environmentally friendly materials, harmless to pets and their pet parents, are used in fabrication. You can be sure your product is not only well-designed but durable and safely constructed.
