1/2in. PVC To Poly Adapter

Conector de polietileno - PVC

Easily convert a 1/2 in. PVC sprinkler system to Drippers or Micro Sprays by using this Adapter to connect 1/2 in. Poly Tubing.

Convierta fácilmente un aspersor o cabezal con boquilla de PVC de 1/2" (1.3 cm) en un sistema de riego de bajo volumen colocando goteros o micro aspersores a la salida estriada de 1/4" (0.6 cm).

- Reduce water usage

Begin by Threading this Converter into any 1/2in. PVC female pipe thread fitting.

Finish by pushing 1/2 in. Poly over the built in O ring and threading the collar back over the tubing.

With this Converter you can greatly reduce water usage by irrigating your landscape more efficiently with Micro Sprays, Drippers and In-Line Drip Tubing.

Con este convertidor, puede disminuir significativamente el consumo de agua debido a que los microaspersores, los goteros y las tuberías de goteo en línea riegan su jardín más eficazmente.
