SAFETY INFORMATION

Read instructions completely before installing wall control.

A WARNING: If the color of the household supply wires is different than what is referred to in the instructions below, a professional electrician should determine proper wiring.

Wall Control

Qtv. 1

CAUTION:

- Do not install in damp locations. For indoor use only.
- Do not use with fans that have integrated remote controls.
- Be sure the outlet box is properly grounded or that a green or bare (ground) wire is present.
- This unit is intended to control a ceiling fan with electrical source of AC 110/120V, 60Hz.

ASSEMBLY INSTRUCTIONS

1. Use existing pull chains on the desired fan to set fan speed to high and to turn the light on.

2. Turn off circuit breakers and wall
